

Buy a brick in the Fire Museum's Walk of Flame

Honoring the Memphis Fire Department, Emergency Medical Services and those who support the Fire Museum of Memphis

Your brick can honor a loved one who served...

A current or past firefighter or the entire Memphis Fire Department...

A current or past member of the EMS team...

...A grandparent, parent, daughter, son, uncle, or aunt. Or you can just show your ongoing support for the Fire Museum of Memphis and help us save lives by teaching fire safety education.
