Registration and information

Come to Memphis in 2024!

Greetings Fellow SPAAMFAA members,

The Board of Trustees in partnership with the Fire Museum of Memphis would like to invite you and your family to join us for the 2024 SPAAMFAA Winter National in the city of Memphis. This event promises to be an exciting opportunity for all of us to come together, share our passion for antique and modern fire apparatus, and celebrate the rich history of firefighting.

The convention will take place from February 21st to the 24th, 2024, at the Fire Museum of Memphis. This incredible venue provides a unique opportunity to explore the history of firefighting and the role that fire departments have played in our communities throughout the years. We encourage you to take the time to visit the exhibits and immerse yourself in the rich history of firefighting.

In addition to the convention, we have planned a number of exciting tours that we know you will enjoy. These include a visit to Graceland, the iconic home of Elvis Presley, as well as tours of local fire departments, the Memphis communication center, and Memphis repair shops. These tours will provide an opportunity to see firsthand the latest developments in firefighting technology and the ways in which fire departments are working to keep our communities safe.

Our headquarters hotel is the Crowne Plaza Memphis Downtown at 300 North Second Street. The Crowne Plaza is a 5-minute walk from the Memphis Fire Museum, across from the Renasant Convention Center and a mile from the Beale Street Entertainment District. Ride our free shuttle to downtown Memphis attractions like AutoZone Park and FedEx

Forum, or enjoy live music and famous BBQ joints. We are only 20 minutes from the Memphis Zoo and Graceland.

We look forward to welcoming you to Memphis for this exciting event. We are confident that you will find the convention and tours to be informative, engaging, and fun.
